

KINGDOM BUILDING IN THE DESERT

WHO WE ARE

The Star Valley Adventist Church, prominently known as the Star Valley Christian Church, is a Bible-believing and Bible-based Christian church. The Star Valley Christian Church was founded on one simple yet complex commodity. Love. The word, emotion, and expression that is manifested and indeed is The Creator, Himself! If we have not love and do not love, we know not God. In studying the texts of The Bible, one unmistakable truth is revealed... God is love! We are His followers and, despite our flaws, have been commissioned to share the good news (gospel) of His infinite love with the rest of the world!

WHY WE EXIST

The Star Valley Christian Church's goal is to be light in a dark world. A light to the community. Giving hope to the hopeless by pointing all men, women, and children to Jesus Christ. Our purpose is not to beat on our chest calling attention to ourselves to boast of who we are; rather it is to speak, teach, and live a life of love calling attention to whose we are, Jesus Christ. Without Christ we have no purpose. Without Christ we have no hope. (see Matthew 28:19-20)
